

CALL FOR PAPERS

NanoTech Poland 2024
14th International Conference
5-7 June 2024, Poznań, Poland

NanoTech Poland is an annual event that covers the most novel aspects of nanotechnology and nanoscience in physics, chemistry, biology, medicine as well as other fields.

The conference is organized since 2011 by the NanoBioMedical Centre, Adam Mickiewicz University, Poznań.

SCOPE

Nanotechnology in energy, electronics, environment, biomedicine and other relevant fields

SECTION A: Advanced Nanomaterials

SECTION B: Nanobiomedicine

DEADLINES AND FEES

Regular registration fee	2200 PLN / 500 EUR	up to 31/05
Student registration fee	950 PLN / 220 EUR	up to 31/05
Abstract submission	-	up to 30/04

CONFERENCE VENUE

Adam Mickiewicz University in Poznań,
Collegium Historicum, Morasko Campus
Uniwersytetu Poznańskiego 7

All necessary information can be found at:

NANOTECHPOLAND.AMU.EDU.PL

PLENARY SPEAKERS

Prof. Laura Na Liu

University of Stuttgart, Germany
DNA-engineered nanophotonics

Prof. Arben Merkoci

ICN2, Spain
Sustainable nanobiosensors for diagnostics

Prof. Federico Rosei

University of Trieste, Italy
Multifunctional Materials for Emerging Technologies

INVITED SPEAKERS

Prof. Christoffer Aberg, Netherlands

Prof. Alessandro Baraldi, Italy

Prof. Zdenek Farka, Czech Republic

Dr. Ignasi Fina, Spain

Dr. Henri Franquelim, Germany

Prof. Jean-Marc Greneche, France

Prof. Lijing Ke, UK

Prof. Yogendra Kumar Mishra, Denmark

Dr. Magdalena Otrocka, Poland

Dr. Michal Rajnak, Slovakia

Prof. Cristina Satriano, Italy

Prof. Katarzyna Siuzdak, Poland

Prof. Wei Wang, China
